**ANNOUNCEMENT OF RESULTS OF BALLOT NOMINATION VOTING FOR
ALL INTERNATIONAL UNION OFFICERS—IBT 30 TH INTERNATIONAL CONVENTION**

After floor nomination of candidates for International Union Office, if the number of nominated candidates exceeds the number of positions to be filled by election, the Convention delegates vote by secret ballot to determine whether a nominated candidate's name should appear on a union-wide referendum ballot. IBT Constitution, Article IV, Section 2; Election Rules, Article III, Section 5(g). Candidates nominated for an at-large International Union Office must receive at least five percent of the delegate votes cast to appear on the ballot; candidates nominated for a regional International Union Office must receive at least five percent of the votes cast by delegates from local unions within their geographic region.

The Office of the Election Supervisor conducted nomination ballot voting for the floor-nominated candidates for all International Union Offices on June 24, 2021. The results of the secret ballot vote are attached. The number of floor-nominated candidates for At-Large Vice-President; Vice-President for the Central, Eastern, Southern and Western Regions; International Trustee; International General Secretary-Treasurer; and International General President exceeded the positions to be filled for each of those offices, and all of the floor-nominated candidates surpassed the five percent threshold for nomination to the Union-wide referendum ballot. Results of the balloting are shown on the attached tables.

The number of candidates nominated for Vice-President, Teamsters Canada did not exceed the number of positions to be filled by election. Under IBT Constitution Article IV, Sections 2(e) and 2(g), the election of François LaPorte, Stan Hennessy, and Craig McInnes as Vice-Presidents of Teamsters Canada is certified. These elected officers will not assume their official duties until the expiration of the term of the current officers.
