Re: IBT Local Union 912's Designation as a Summer Seasonal Election

Mr. Sebring:

On June 1, 2010, IBT Local 912 made a telephone request for review of its status a spring/fall election local under the *2011 Rules*. After receiving Local 912's membership information from the IBT's General Secretary Treasurer's office regarding the number of seasonal employees, have determined that IBT Local 912 would be best served by holding the delegate and alternate delegate elections during the fall of 2010.

Please contact Paul Dever at the Election Supervisor's Office immediately to set up an account on the Local Union Election Plan System. The deadline for the submission of Local ~~670~~'s Local Union Election Plan is June 15, 2010. ⁹¹²

Sincerely,

Richard W. Mark
Election Supervisor
