Re: IBT Local 431's Summer Seasonal Election Designation

Dear Mr. Pratt:

By letter dated May 11, 2010, IBT Local 431 requested review of its designation as a "Summer Seasonal" local under the *2011 Rules*. I have received membership information provided by the General Secretary-Treasurer's Office of the International Brotherhood of Teamsters and Local 431, specifically, information on the seasonal peak of Local 431's membership at the Garry Packing processing facility. After considering that information, I have determined that the Local 431 membership would best be served by holding the delegate and alternate delegate elections during the winter of 2011.

The designation of Local 431 as a summer seasonal local is rescinded.

Very truly yours,

Richard W. Mark
Election Supervisor
